Canta

Deutsche Griffweise, Doppelklappe  
German fingering, double key  
Doigté allemand, double clé

The chart displays musical notation for notes G4, A4, B4, C5, D5, E5, F5, G5. Each note is accompanied by a finger diagram with four rows (a, b, c, d) representing different finger positions. Row 'a' shows thumb position (filled circle for down, open for up). Row 'b' shows index, middle, and ring finger positions. Row 'c' shows ring, middle, and index finger positions. Row 'd' shows the bell position (filled circle for down, open for up). The diagrams use filled circles for closed fingers, open circles for open fingers, and half-filled circles for half-closed fingers. Vertical bars at the bottom of the diagrams indicate whether the thumb or bell is open or closed.
